## EXPERIENCE

Senior Business Analyst, Example Retail Group (2022-03 to present)

- Mapped the month-end close process and cut it from 10 working days to 4.
- Found 1,240 duplicate supplier records in the vendor master, saving R1.2m a year.
- Ran 18 discovery workshops with finance and operations stakeholders.

Business Analyst, Fictional Logistics (2019-01 to 2022-02)

- Built a Power BI dashboard used by 45 depot managers every week.
- Wrote the requirements for a route-planning MVP that reduced fuel spend by 12%.
